
Swan Meadow Calpac Association Fishery RULES

That on all waters of the Association not more than two rods are to be used at one & the same time. If a rod & line is to be left unattended, the hook must be removed from the water, the bait removed and the hook left safe.

All fish to be returned alive to the water.

No Barbel, Carp or distressed fish to be retained in keepnets. They must be weighed and returned immediately to the water.

No member shall take any tin cans or glass bottles apart from those containing medical prescriptions on to any Association Fishery at any time.

No dogs. No fires. No camping.

That all members will keep to the footpaths and use stiles and/or gates to gain access ensuring that all gates are closed behind them.

That every member will collect any litter in the area that they intend to fish **BEFORE THEY START FISHING**. This must be removed from the fishery.

Fishing is only allowed between dawn to dusk.

That no member shall play or permit to be played any radio, record player or musical instrument on any Association Fishery or land adjacent thereto.
