The EU General Data Protection Regulation GDPR

The data we hold is name, address, email and age for members of Pulborough Angling Society. This is stored in computerised records on the club computer, which is not connected to the Internet. We require this information to know who our members are and is used for mailing purposes only. It is not available to anyone outside the Society. We will keep the data from the date of joining until the end of June in the next year's season for ease of re-joining. All personal data will be deleted for lapsed memberships at the end of June annually. If you object to your details being held on the computer please advise the Membership Secretary in writing.

We ask all Members (including partners and juniors over 13) to **sign your name** against **one** of the following giving your consent:

I give consent for the information given to be kept in the Database held on the club computer and the contact details to be used by the society to communicate with its members.
